Welcome to Blue Diving & Salvage, LLC! We are a Mobile, Alabama based veteran-owned commercial diving and marine assistance towing company. We have years of experience in the marine and commercial diving industry and are dedicated to perfecting the diving and salvage service industry. We offer a full line of dive services such as underwater welding and burning, inspections, emergency repairs, underwater construction, rigging, salvage, survey and much more. We also have licensed captains and vessels for cargo or personnel transport and small vessel towing as TowBoatU.S.-Mobile.

Our Mission

Blue Diving & Salvage, LLC is committed to provide responsive, professional, quality commercial dive services to the customer base at a competitive price while striving to provide customer satisfaction at the highest possible level.

At BD&S, we pride ourselves on being punctual, professional, safe and offering the best services possible. We are licensed and insured for all marine related work from marine construction to salvage and emergency repairs. Our insurance coverage includes:

- USL&H Workers Comp (\$1,000,000 per occurrence)
- MEL - Jones Act Coverage (\$1,000,000 per occurrence)
- General Liability (\$1,000,000 per occurrence)
- Bumpershoot Excess Coverage (\$4,000,000 umbrella)
- Commercial Auto & Boat (\$1,000,000 per occurrence)

We follow OSHA standards for commercial diving set forth in the regulations 29 CFR 1910.12 Subpart T and USCG standards set forth in the 46 CFR Ch. 1, Subchapter V, Part 197, Subpart B; as well as the Association of Diving Contractors International (ADCI) Consensus Standards for Commercial Diving and Underwater Operations.

Please visit us at www.bluediverllc.com to learn more about the services our company has to offer. We look forward to having the chance to do business with you!
