a few benches side by side to accommodate larger audiences

Hide-A-Bench Inc. is an innovative provider of a space saving, patented fold away bench, which offers a unique seating option to a vast array of industries in the public and private sector. Hide-A-Bench's product is unique in that it will permanently attach to most flat surfaces, while extending less than six inches when in the fold up position. 39 inches of floor space is all that is required when fully extended. It can be set up quickly and easily by one person and will allow for seating for up to 28 adults per aluminum bench. Units are available in 9 to 21 feet in three foot intervals, with custom sizes also available. The standard finish of the bench is an anodized aluminum, with custom powder coating colors also available.

The bench can be configured to meet a wide variety of customer needs:

- ▶ Elementary/Middle schools
(where group seating is needed and space is limited)
- ▶ Rehabilitation Centers
(allowing comfortable viewing of sessions by family/hospital staff)
- ▶ Recreation Centers
(Pool areas, basketball courts, gymnastic centers, karate studios)
- ▶ Churches
- ▶ Multi Purpose/ Meeting Rooms
- ▶ ADA applications (companion seating)
- ▶ Hotel/ Conference centers
- ▶ And many others!

Hide-A-Bench Inc. is uniquely positioned to serve this segment of the market because of its patented fold away seating design, allowing seating to be installed where space was previously not conducive for a multi seating apparatus.

System Description

The hide-a-bench units are available in 9 to 21 feet in three foot intervals, with custom sizes also available. The bench shall fold downward from its attachment point and lock into an open position. When closed, it will lock into a 6 inch profile. It is intended to be permanently mounted to most flat surfaces by way of lag or anchor bolts. Wall material type and thickness shall be verified by owner or general contractor. All approvals and building permits are the responsibility of the owner.

Materials/Finishes

The bench is constructed of an all aluminum support structure, with a clear silver anodized finish. The seat and deck system are clear silver anodized aluminum, 6063-T6 alloy. Exposed ends are channel end capped, black anodized finish. Fasteners and connecting hardware are stainless steel.

Design Load

Seating shall be designed to support a live load of 120 pounds per square foot on seat and deck, with a horizontal sway force of 24 pounds per square foot as calculated by a registered engineer.

Acceptable Manufacturers

Hide-A-Bench (U.S. Patent No. 5,655,459) as marketed by the Hide-A-Bench Corporation.

3624 Highlands Ranch Parkway, Unit 205-126

Highlands Ranch, Co. 80126

Phone: 303-471-1362

Email: info@hideabench.com

Warranty

The bench shall be warranted for a period of one year after delivery date and shall cover defects in material and workmanship.

FAQs

Q: Are the benches portable?

A: The benches are permanently attached to a wall. The true benefit of the Hide-A-Bench is that it collapses to take up only six inches of space, and can be set up for use in less than a minute's time by one individual.

Q: Can I get them with more than 2 rows?

A: We attempted a three row design, but were not satisfied with the added difficulty of opening and closing the unit. Adding an additional row also requires that you operate under the guidelines of a bleacher.

Q: Can they be installed outdoors, or in an enclosed pool area?

A: The bench is constructed of solid aluminum, with stainless steel hardware. This makes the bench very light weight, (approximately 110 pounds), while giving it lasting durability, even in an outdoor or chlorinated environment.

Q: How long does it take to receive it, once I have placed an order?

A: This will depend on the number of units ordered, as well as where they are being shipped. Our manufacturing plant is located in Marshalltown, IA. This will also serve as our main distribution center. Typical turn-around time should be between 7 and 10 days.

Q: Can I have a logo engraved on the bench?

A: This is something you would have to have done on your own. Custom laser engraving can be done via an independent company after you have received the bench. An alternative to engraving is to have a logo printed on the optional bench cover, which can be custom ordered from us.

Q: Are there any other color choices?

A: Yes, you do have the option of having the Hide-A-Bench powder coated with other primary colors. This process will require additional manufacturing time. Additional charges will also apply. Please call for details.

Hide-A-Bench Accessory List

To order call us at 1-888-342-3624.

Custom Powder Coating

Colors options are Red, Burgundy, Blue, Gold and Dark Green.

Curtain Covers

Options: Custom Colors** price: no additional charge for custom colors

The first cover option is perfect for those looking to simply cover the bench, without the need of added padding. The covers are attached by way of a vinyl covered metal strip screwed to the edge of the top plank. Velcro is sewn to the vinyl strip, as well as the edge of the cover. They are available in Royal Blue as the standard color. Special Order color options are Red, Gold, Sky Blue, Grey, White, Black, Beige, Forest Green, Purple, Burgundy, Navy Blue, Kelly Green and Orange. See website for example color swatches.

Padded Covers

Options: Custom Colors** price: no additional charge for custom colors

For those customers looking for the added protection of a padded cover, we offer a 2 inch polyurethane foam pad. Attachment method and color options will be the same as the vinyl curtain.

Seat Cushions

Now, if you really want to spoil your audience, we offer a padded seat cushion. This is also made with 2 inch polyurethane foam. Velcro attach or grommet flap.

Shipping

Typical shipping time for bench orders is 10-14 days on standard finishes. Covers take an additional 1-2 weeks.

* please allow 7-10 days additional time for delivery when ordering a custom coating on Hide-A-Benches.

** Royal Blue is the only color kept in stock for vinyl and padded curtains. All other colors will require an additional 2-3 weeks shipping time.
