Who We Are

Martinez Couch & Associates, LLC (MCA) is a Civil Engineering, Environmental, Land Surveying and Project Management Company based in Rocky Hill, Connecticut. Since inception in 1999, MCA has completed just over 3,500 land development and environmental projects in the State of Connecticut and throughout the New England Region.

MCA has a history of successful project completion and service delivery. Our staff consists of Professional Engineers (PE), Licensed Environmental Professionals (LEP), Licensed Land Surveyors (LLS), Professional Geologists (PG), CAD Technicians and field personnel.

Our Mission

"Few things are impossible to diligence and skill"

-Samuel Johnson

Our mission is to provide clients with the proper information so that they can

make informed decisions regarding the management of their projects. Each project that we undertake is planned to satisfy the client's needs and expectations. Our work is controlled in-house and key decisions are made under the supervision of our senior managers. This is what has made MCA successful and has led to a 90% repeat business ratio.
