

SPRINGFIELD SPRING CORPORATION

PRECISION SPRINGS AND STAMPINGS SINCE 1942

DIVERSE SPRING COMPONENTS
FOR A DIVERSE WORLD

CERTIFIED MINORITY OWNED COMPANY (MBE)

QUALITY CONTROL: "Quality is a continuous improvement process that affects every part of our organization - everyday ". We are ISO 9001:2000 Registered and can provide SPC, PPAP, FMEA and Process-Control Plans. Member of ASQC.

PROTOTYPES: Rapid Service Model Shop for Short Run Production, Design Verification Analysis and Pre Production samples.

PRODUCTION: Everything starts with one! We can produce one part to millions of parts. Our historical, On-Time Delivery rating exceeds 97% and parts that qualify for our Internal Stocking Program can be shipped in one to two days.

PRODUCTION SERVICES: Continuous Improvement Programs (Lean Mfg., 5S, Process Mapping, KAIZEN). Custom Stocking Programs, JIT Delivery Conformance, Custom Packaging, KAN-BAN Compliance, Custom Labeling, Push-Pull Inventory Management and Vendor Managed Inventory (VMI) programs.

VALUE ENGINEERING: Save Time; Save Money; and Improve Time-To-Market with our exclusive EDIT Program (Early Design Intervention Team). Our SVA Team (Supplier Value Cost Reduction) aggressively looks for potential cost improvements which can be passed on to our customers. We offer design assistance at the formative stage of product development. Email drawings to cad@springfieldspring.com. Design custom springs and submit a Request for Quote on line at our web site: www.springfieldspring.com.

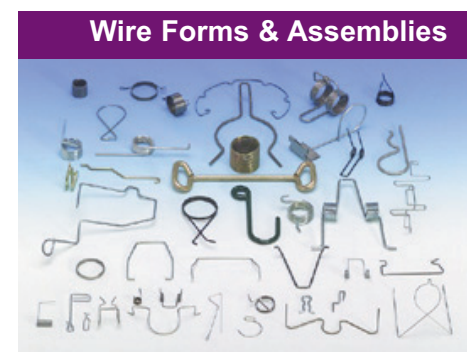

ELECTRONIC SERVICE CAPABILITIES: Customer-Interactive Web Site, Internet-based Inventory Management, EDI (Electronic Data Interchange), Bar Coding, Electronic NAFTA & Export Document Certifications, EFT (Electronic Fund Transfer), Internet-based Engineering CAD File Sharing and paperless accounting.

MINORITY BUSINESS MENTOR PROGRAM: Enhance your company's Minority Business, Supply-Chain inclusion goals for 1st. Tier and 2nd. Tier opportunities by networking and mentoring with us. We will work with your company's Diversity Procurement Team to construct a custom MBE Mentor template for achieving common goals, responsibilities and objectives. Network with our strategic MBE Partner companies that can also supply your team with a variety of engineered components such as: Plastics, Machining, Screw Machine Components and Fasteners.
